

A few of Bob's audiences...

Q: What do innovative leaders, professionals, managers and sales professionals from SUBWAY, Bank of Montreal, The Brick, Indigo/Chapters Bookstores, United Furniture, Saputo Foods (Dairyworld), Art Van Furniture, Acushet/Titleist, BCAA, SimplexGrinnell, Southex, CN Rail, EPCOR, Home Depot, TD/Canada Trust, Chevron Canada, NAPA, OK Tire, ICBC, Intuit Canada (Quick Books), London Drugs, Enterprise Rent A Car, UPS, Mail Boxes Etc, SKF Canada, Canadian Blood Services, CSAE, CGA's; and a host of independent professionals, community non-profit, Chambers of Commerce, professional, and government agencies, colleges, and educational organizations around the world have in common?

A: They've each had successful, idea-rich, encounters with Canada's motivational Bob 'Idea Man' Hooey and seen his inspirational Ideas At Work! to profitably enhance their performance! They've experienced Bob's creativity first-hand at a motivational conference keynote or seminar, leadership training event or retreat; or from reading one of his many inspirational, career leadership and business building publications or motivational articles.

Bob continues to hone his skills and see his IDEAS AT WORK! with a wide range of audiences. He has had the privilege to share the platform and work with some of the world's most sought-after platform presenters and authors, such as Peter Legge and the late Dr. Norman Vincent Peale and Dr. Wayne Dyer. His conversational, humorous and sometimes provocative style continues to challenge and inspire his audiences across North America and around the globe. Whether he is facilitating or coach a small group of leaders, conducting idea-rich educational workshops or breakouts, or addressing thousands as a main stage inspirational keynoter, he brings his passion for your success to the stage.
