Re: Bob Hooey Recommendation for Toastmasters

I am pleased to send this letter of recommendation for Bob Hooey, whom I have known for several years, both as a professional speaker colleague and Rotary volunteer friend.

Through the years, Bob and I have worked on the stage together at various events. Most notably we travelled to Russia together to speak at a Rotary District Conference a few years ago. That event was a great success.

Through the years, Bob has shared his talents and expertise with Rotary, supporting our various programs and presenting at leadership training events. He has also taken an interest in mentoring youth and young adults through participation, supporting our Rotaract clubs (University/College aged service club sponsored by Rotary).

Due to the joint partnership between Toastmasters and Rotary, I feel that Bob's speaking experience and knowledge of these groups well qualifies him for a leadership role in Toastmasters.

Please feel free to contact me if any further information is required.

With best regards,
